SUMMARY

Responsible for overall planning, managing and evaluation of Communities in Schools (CIS) operations at the school in the implementation of the CIS model of integrated student supports.

DUTIES AND RESPONSIBILITIES

Implementation of the CIS model of integrated student supports:

- **Engage a school support team that works closely with school administrators, staff and teachers in the implementation of the CIS model.** The team may include other CIS employees, volunteers, schools staff or faculty and/or other community partners. This process will include the building and nurturing of school staff relations, relationships to school and community and the engagement and oversight of volunteers for the delivery of services.
- **Lead the annual needs assessment process.** This process will be based on data collected by school districts and schools as part of overall school improvement plans, surveys and discussions with staff, parents and students, and evaluation results from the previous year.
- **Lead the development and implementation of the school support plan.** The plan will include measurable objectives, as well as procedures for delivering widely available services (Tier I), targeted services (Tier II), and intensive, individualized services (Tier III), monitoring and adjusting services, and evaluating and reporting effectiveness.
- **Lead and coordinate the delivery of evidence-based services based on best practice and risk factor research.** The three tiers of support will be provided to help address identified school-wide needs or to build and reinforce student assets. Targeted and individualized services will be coordinated and provided at the school for specific students who are identified as having the greatest risk of eventually dropping out of school.
- **Monitoring and adjust services.** The Site Coordinator will lead the CIS school support team in regularly monitoring and adjusting services as needed to maximize effectiveness and impact.
- **Evaluate the effectiveness at achieving school and student individualized goals.** The Site Coordinator will lead the CIS school support team in implementing a systematic data collection plan to evaluate the effectiveness of services in achieving school-wide goals and addressing the needs of individual students.
- **Lead the School Support Team in annual reporting.** Annual end-of-year reports will be provided to school and affiliate leadership which are instrumental in planning services for the following year, as well as contributing to affiliate level reports for partners, the state office (if appropriate) and the Communities In Schools national office.
